Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant inquired about inconsistency of drawing review in notice of allowability. In the notice, examiner indicated that drawings were both accepted and required corrected drawings. Examiner stated that the changes required by draftsman were correct and that a supplemental notice of allowability would be forwarded to applicant. Because applicant indicated that he did not have a record of the required draftsman correction, examiner faxed a copy of the draftsman correction to applicant. Applicant confirmed that it had received the draftsman correction. Per applicant's request, a copy of the signed IDS filed October 12, 2000 will also be forwarded.
